**Re: Zurcaled International, Inc. v. Scientific Games Corporation,
Et al.
Case No. 07cv4066 (LBS)**

Dear Judge Sand:

We represent defendants Scientific Games Corporation and Scientific Games International, Inc. At the oral argument of the pending cross-motions for summary judgment, you invited the parties to make an effort to settle the matter, and, to that end, directed the parties, through their counsel, to report to the Court this coming Tuesday, November 6th as to whether the matter had been settled. Pending such advice, the Court was holding in abeyance and reserving decision on the pending motions.

Counsel for the plaintiff and defendant jointly request a two-week extension of this settlement period to Tuesday, November 20th, in aid of on-going settlement discussions.

Counsel for plaintiff has reviewed this letter prior to its transmission.

Respectfully yours,

David M. Olsav
